Louis Auchincloss : A Writer's Capital before purchasing it in order to gage whether or not it would be worth my time, and all praised A Writer's Capital:

0 of 1 people found the following review helpful. Five StarsBy Elliot Scott SlaterWonderful memoir1 of 1 people found the following review helpful. New York Life among the Pretty RichBy Tina B.This memoir describes New York life among the pretty rich in the last century, with bonus profiles of two women who influenced the author. I read it without having read any of Auchinclosss other books, but reading this memoir would enrich the experience of reading some of the authors better known works, such as "The Rector of Justin."Or, for contrast, read it immediately before or after Hillbilly Elegy: A Memoir of a Family and Culture in Crisis.0 of 11 people found the following review helpful. A-OKBy MEMBook arrived timely was in excellent condition as promised. I would purchase from this vendor again.

In his memoir, A Writer's Capital, Auchincloss claims to have acquired this skill in 1943 in Panama when he represented all- too-obviously guilty sailors in trials by court-martial.
