Philip K. Epling : Bad John Wright: The Law of Pine Mountain before purchasing it in order to gage whether or not it would be worth my time, and all praised Bad John Wright: The Law of Pine Mountain:

1 of 1 people found the following review helpful. Interesting to Me! A KentuckianBy PK 171I got this book and loved this book because it is the true story of a lawman from eastern Kentucky in the area of my birthplace. The writing is well-done, the vocabulary is upscale, and the whole account is exciting. It was especially interesting to me because the Kentucky described here was not much different from what I experienced in the 1940s and 1950s. It reminded me

somewhat of the story "Walking Tall" which related to west Tennessee.0 of 0 people found the following review helpful. She loved it.By lisawe bought this book for my mother in law its. part of her history. Her family toldher about it and wherel she got it. Its a very interesting book about this manand his family. She loved it.3 of 3 people found the following review helpful. Good Review of Bad John's LifeBy RhondaThis book helps to clarify the nickname of my great-great uncle. He is very well known in southeastern Kentucky. However, the Bad in his nickname leads people to think poorly of him. However, he did alot of good for the area.It is an easy, enjoyable read. I purchased 2 copies. One for myself and one for my aunt. She said she learned things that she had never known before about John.

Excitement, sensitivity, love, and adventure abound in this legend of the mountains of Eastern Kentucky and Southwest Virginia.

About the AuthorPhillip K. Epling obtained material he had long been searching for on the life of John Wright in the early 1970s. He is the author of The Baptist Triumph.
