Barry Adler, Douglas Baird : Bankruptcy (University Casebook Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bankruptcy (University Casebook Series):

0 of 1 people found the following review helpful. It fits my needs By Yi Ding the used book is like new as described by the seller. and considered the price it's really attractive. the book is going to have a new edition released soon as told by our professor. but now it fits my class requirements. 1 of 4 people found the following review helpful. Great! Everything as described By lawstudent11 Great! Everything was as described, and it arrived quickly. I think it even came a day earlier than expected. This book was required for my Bankruptcy class. 0 of 6 people found the following review helpful. Fast shipping By Michelle C. Helfrich This book was shipped to me very fast. I received it in time for classes. Thanks so much

This easy-to-teach casebook offers a clear explanation of the bankruptcy process. The text challenges the student with commentary and questions that explore both new and classical bankruptcy themes. The book is fully updated and addresses the 2005 amendments to the Bankruptcy Code, including means testing for consumer debtors, and the recent trend toward creditor control of the Chapter 11 reorganization process.
