BAR/BRI provides the most proven and effective bar review course to help you pass the bar exam the first time. The first year of law school can be an overwhelming and intimidating process. First year students are bombarded with information on how to succeed in law school. With more than 40 years of experience, BAR/BRI is the exam preparation leader. Our First Year Review Program offers you the following benefits: **FIRST YEAR REVIEW VOLUME** containing comprehensive outlines for: Civil Procedure, Constitutional Law, Contracts, Criminal Law, Property, and Torts. It is nearly impossible to accumulate the necessary materials, prepare a 2-month study plan and discipline yourself to accomplish this task without a review course. Additionally, most law students could not take all topics tested on their state's bar exam in law school. Even if a student did study a bar topic in law school, it is

generally taught from a different perspective than how it is tested on the bar exam.
