Good book until you have to answer the discussion questions for homework. I have had to google some things because the answer was not clear. Also for the keywords. They bold the

terms in the chapter, but its really hard to figure out what the definition of the word is - sometimes it will be right before or after the term, and other times it will be several paragraphs down. A lot of time, I simply gave up looking for the definition and just googled the word.2 of 2 people found the following review helpful. Get more of my job as a legal assistant, climbing the office ladder-this was EXACTLY what I neededBy Tabbyeasy to read, small enough to travel. the only mistake i made was that this book references a CD, that I didnt pay close enough attention that wasn't included, but I know where to get the sample forms if I dont already have them0 of 0 people found the following review helpful.
