David W. Brown Attorney : Beat Your Ticket: Go to Court Win before purchasing it in order to gage whether or not it would be worth my time, and all praised Beat Your Ticket: Go to Court Win:

2 of 2 people found the following review helpful. It is good to fight your ticket and this book will help. By Ronald B. Moore I have been reading Fight your Ticket about California laws for years and don't know what I would do without it. It has helped me win in court and know just what to ask the cop giving the ticket. It helps research and I recommend these books. Now my grand niece is getting her license and does not live in CA so I picked this up for her. I hope she reads it, it really helps get a handle on interactions with the police when you get stopped. 1 of 1 people found the following review helpful. Good Information By Lazy Chicken Good information but not really anything that I didn't already know after driving for many years. I dont make a habit of getting speeding tickets but I will keep this on my bookshelf as a good reference in case I do. 0 of 0 people found the following review helpful. Nice theory, but in the real world the court system will chew you up and spit you out if you defend yourself. By WuJo Pretty good book but in

the real world it may not help you much. I decided to fight a ticket and the cop lied on the stand and I wasn't really prepared for that and the jurors were all dumb as a box of rocks and I could only choose 5 out of 30 to reject in Voir Dire. So the book has good ideas but the U.S. legal system is so jacked up that if you are a little guy you are going to have to bend over one way or another. Can't wait for the revolution, this system has to go.

Fight an unfair ticket in any state! We've all received one -- a traffic ticket that seems completely unfair, the result of an officer's evening quota rather than a serious moving violation. But do you have to pay the penalty and watch your driving record crash and burn? Not if you choose to fight back! With Nolo's Beat Your Ticket, you'll get the lowdown on the best strategies for beating traffic tickets in court. In plain English, you'll learn how to: - use the law to fight an unwarranted ticket - analyze the case and decide whether to fight or fold - find out what the police officer plans to say at your trial - find legal assistance and get the most out of it - prepare witness testimony - attack radar and other detection methods - pick a jury - present your case - cross-examine the ticketing officer Whether you want to contest a common speeding citation, a right-of-way violation, or a non-DUI alcohol-related offense, Beat Your Ticket clearly lays out your options. This edition is extensively updated to reflect your state's current traffic laws, including the latest rules, statistics, and court procedures. Are you a California resident? Check out Fight Your Ticket Win in California.
