**Thom Brooks : Becoming British: UK Citizenship Examined** before purchasing it in order to gage whether or not it would be worth my time, and all praised Becoming British: UK Citizenship Examined:

Migration to the United Kingdom receives widespread attention, but less attention is paid to the major increase in the number of people becoming British citizens. UK citizenship has undergone substantial changes in recent decades and a

clear up-to-date examination of what UK citizenship actually means, who has access to it and on what terms, is long overdue. Thom Brooks is Professor of Law and Government at Durham University, and one of the United Kingdom's leading experts on British citizenship. Brooks passed the UK citizenship test and became a British citizen in 2011. He is a dual citizen of the United Kingdom and United States.

"Many say that we need to talk about immigration. Yes, we do. Thom Brooks in his book provides an overarching account of what many feel as Britishness. It is a very important read as it shows how difficult it is to come to terms with this." - Progress  
About the Author Thom Brooks: Thom Brooks is Professor of Law and Government at Durham University, a columnist for Newcastle's daily The Journal and one of the UK's leading experts on British citizenship. Brooks passed the citizenship test and became a British citizen in 2011. He is a dual citizen of the UK and United States.
