Esq., Giselle Carson : Beyond the H-1B: A Guide to Work Visa Options for Employers, Foreign Nationals, and Graduating Students before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond the H-1B: A Guide to Work Visa Options for Employers, Foreign Nationals, and Graduating Students:

0 of 0 people found the following review helpful. Invaluable! Excellent Reference!!By Joanne M. FakhreBeyond The

H-1B is a great book and excellent reference! I recommend this book to anyone practicing Business Immigration or just wanting some information on the different work visas. It is concise, logical, and answers the most common questions that come up on the work visas discussed. It is a great source to go to first because it is clear and easy to follow. It lists the eligibility and requirements of each visa, how to apply and even has a flowchart under each section, which is an added bonus. The book even explains in table form the different types of visas making it easy to compare them all without going back and forth. I feel like I hit the lottery! I have this book both in paperback and on my iPad because it is my go to for quick answers. Invaluable!!-Joanne M. Fakhre2 of 2 people found the following review helpful. Highly Recommend It!By Dino PalangicAn excellent and expertly written immigration guide written by a prominent immigration attorney with proven experience in the complex field of business immigration. I highly recommend it. Ms. Carson's book is an invaluable resource and reflects her outstanding insight into this complex legal field. Five stars all the way!0 of 0 people found the following review helpful. Better say nothing bad about itBy Miriam FlorickBetter say nothing bad about it...but don't waste your money buying this....the information in the book can be easily found FREE in the internet..

H-1B visas are one of the most popular and controversial visas used to hire foreign professionals. Because of their usefulness and limited availability, they are difficult to obtain. There is currently an annual cap of eighty-five thousand for new H-1B visas, and within days of the start of the filing season in April each year, the cap is reached. It is time to explore other options. Business immigration lawyer, author and speaker, Giselle Carson provides a practical guide to lesser-known work visas that could get you just as far as the H-1B visas as well as creative exemptions to the H-1B cap. She shows you different categories of work authorization and the requirements for each in a straightforward, matter-of-fact style. She also provides insider tips and answers some of the most common questions about work authorization, visas, and immigration law. Beyond the H-1B is not intended to be a comprehensive legal guide to US immigration. Instead, the book serves as a general resource that can broaden your perspective and surprise you with the different options available to you and your employees.

From the Back CoverThe H - 1B visa is the most sought - after work visa used to hire foreign talent. Each year, employers of foreign professionals, recent graduates, and others flood immigration office with applications. but the H - 1B visa is only granted to the eighty-five thousand of those applicants. Fortunately there are others options available. Beyond the H - 1B provides a thorough and straightforward look at many other options for work authorization. Business immigration lawyer, author and speaker, Giselle Carson Esq., exclusively practices immigration law. She is dedicated to helping employers and immigrants navigate the thorny maze of regulations, documentation, and requirements. Carson has created a practical guide that offers insider tips, answers frequently asked questions, and succinctly summarizes the requirements for other visas, including the O - 1 for talented workers, L - 1 for intracompany transfers, P - 1 for athletes, J - 1 for interns and trainees among others.About the AuthorGiselle Carson, Esq., has spent the past ten years exclusively practicing immigration law. She was first in her class when she graduated from Florida Coastal School of Law and has been a practicing attorney since 2001. Carson was born in Cuba and earned her bachelors degree in physical therapy from McGill University in Canada. She uses her experience as a two-time immigrant and trilingual skills to help others with their immigration challenges. She works with employers to hire top talent and has helped individuals from over sixty countries immigrate successfully and see their dreams come true. Carson was awarded Lawyer of the Year by the Jacksonville Business and Daily Record. Carson lives with her husband in Jacksonville, Florida. She is the past president of the Jacksonville Bar Association and vice chairwoman of the board of the Jacksonville Aviation Authority. She is also a four-time Ironman finisher, a marathoner, and an ultra-marathoner.
