**Jeffrey Gaba : Black Letter Outline on Environmental Law (Black Letter Outlines)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Letter Outline on Environmental Law (Black Letter Outlines):

0 of 0 people found the following review helpful. Good enoughBy CustomerSufficient for the students who begin to study the environmental laws.

This Outline summarizes the basic black letter rules of Environmental Law in a way that allows students to appreciate how different parts of their course material fit together. Ideal for class preparation or as a review before exams. The Outline covers approaches to environmental regulations, constitutional issues in Environmental Law, the National Environmental Policy Act, Clean Water Act, Clean Air Act, Resource Conservation and Recovery Act, Comprehensive Environmental Response Compensation and Liability Act and other toxic substances statutes. The

Outline also discusses the complex intersection of law, sciences such as biology, geology, and engineering, and important economic, ethical, and social issues. It also includes a glossary of environmental terms and practice exam questions.
