Royle : Briefcase on Land Law (British and American Economic Essays) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Briefcase on Land Law (British and American Economic Essays):

Briefcase on Land Law provides the essential cases and statutory materials for most land law courses. All chapters have been revised to take account of recent case law and statutes, including the Land Registration Act 2002. Each

chapter now contains a brief introduction, which places the cases into their wider context. There are new case summaries of such important House of Lords decisions as *JA Pye Ltd v Graham* (2002); *Royal Bank of Scotland v Etridge plc (No 2)* (2001); and *Uratemp Ventures Ltd v Collins* (2001). Also included are summaries of *Taylor v Hamer* (2002); *Gillett v Holt* (2001); *Hair v Gillman* (2000); *Banner Homes Group plc v Luff Developments Ltd* (2000); and *Fuller v Happy Shopper Markets Ltd* (2001), making this a valuable reference guide and revision tool for land law students.
