Thomas Hazen : Broker-Dealer Regulation in a Nutshell (Nutshells) before purchasing it in order to gage whether or not it would be worth my time, and all praised Broker-Dealer Regulation in a Nutshell (Nutshells):

4 of 4 people found the following review helpful. Excellent Nutshell, but Numerous Typos in Kindle Edition By Bethesda Jack This is a very useful "nutshell" regarding broker-dealer regulation, and the Kindle price is nice, but be prepared for very sloppy proofing. The text frequently has words crammed together, without spacing, and has other typos. 1 of 1 people found the following review helpful. Must Have By DisplacedCityGirl This book is a must have for anyone new to the financial services sector, looking to brush up on industry knowledge or just looking for a general

overview of all the moving parts.0 of 1 people found the following review helpful. Great Reference!By SnowbirdThis is a very good source of reference materials on broker-dealer regulation.

This title provides an introduction and overview of broker-dealer regulation in the securities markets. It covers broker-dealer front office and back office issues, as well as market regulation generally. It offers an understanding of basic concepts and the underlying regulatory scheme, with explanations of sales practices, analysts' conflicts of interest, civil liabilities, and arbitration. This title also provides an overview of industry self-regulation under FINRA (the Financial Industry Regulatory Authority).
