From American Bar Association : Brownfields: A Comprehensive Guide to Redeveloping Contaminated Property before purchasing it in order to gage whether or not it would be worth my time, and all praised Brownfields: A Comprehensive Guide to Redeveloping Contaminated Property:

To understand the environmental and economic challenges of redeveloping contaminated property, Brownfields provides detailed information in all related disciplines to help you make informed decisions and implement effective

strategies for change. Written by over 100 experts, the book's advice includes finding funding sources, resolving legal, financial, and political issues associated with redevelopment, and provides a single source for evaluating every State Voluntary Cleanup Program, including financial and tax incentives, eligible or excluded properties, cleanup standards, and liability protections.
