Rodney A. Malpert, Amanda Thompson, Marketa Lindt : Business Immigration Law: Strategies for Employing Foreign Nationals (Employment Law Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Business Immigration Law: Strategies for Employing Foreign Nationals (Employment Law Series):

11 of 30 people found the following review helpful. The perfect book for displacing American workers
By A Customer
Do you wish to employ foreign born workers at the expense of American workers? If so, then this is the book for you! It covers all of the tricks to get around having to employ qualified American workers. Of special interest is the chapter on H-1B visas. So what if the unemployment rate for high-tech workers is above 7%? By golly, if a business wants to pay slave wages to a foreigner, then they are entitled to, right? And this chapter covers all of the dodges to use.

Finally, employing foreign nationals has been demystified! **Business Immigration Law: Strategies for Employing Foreign Nationals** guides you stepbystep through this intricate legal maze. An impressive array of specialists provides helpful and pragmatic advice on the non-immigrant work authorization, including: specialty occupations (H-1Bs); intra-company transfers from abroad (L-1); and treaty traders and investors (E-1 and E-2). Coverage includes: tax issues; discrimination law problems raised by screening foreign nationals during hiring; how to avoid sanctions for I-9 violations; and the interaction between non-immigrant and immigrant statuses. This book's appendices provide forms, guidelines, regulations and other helpful materials. Book #00655; looseleaf, one volume, approximately 1,329 pages; published in 2000, updated as needed; no additional charge for updates during your subscription. Looseleaf print subscribers receive supplements. The online edition is updated automatically. ISBN: 978-1-58852-092-0.
