Worth saving money from the normal book store renting from . I would recommend the book too. It has a lot of great case examples for pretty much every law term mentioned.1 of 1 people found the following review helpful. I really enjoyed this bookBy ChrisThis book was one of my most expensive books that I have boughten for college. I really enjoyed this book, and learned a lot about what law truly is. I was initially planning on selling this book back to my book store or to , but i thinking that i am going to keep the book to look back upon in the future. Very easy to read and shows many real world examples with case numbers.

Interesting, clear, and applied, **BUSINESS LAW TODAY: STANDARD EDITION** is the ideal guide to the law and what it means in the business world--from contracts and secured transactions to warranties and government regulations. Easy to understand with an engaging writing style that is matched by vibrant visuals, **BUSINESS LAW TODAY** includes coverage of contemporary topics that impact not only the business world, but your life--from the financial crisis and its impact on business law to identity theft, immigration law, and diversity issues.

"It is an absolutely excellent text. Concepts are clearly explained through the use of relevant real world examples. The text is written at a level easily grasped by a community college student. The book is visually attractive which is also important to us as it enhances the student's interest in reading the text. The internal and end of chapter features are excellent and varied and offer the instructor many choices about how to approach the topic. We plan to stick with this text- I believe it continues to be the best business law book in print!" "We have used this textbook for over 20 years. The textbook continues to improve, stay up to date, and maintain a high quality."
