From Practising Law Institute : Business Liability Insurance Answer Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Business Liability Insurance Answer Book:

Being held personally liable for a businessrelated decision is the nightmare of every company manager, officer and director. As a result of the recent economic downturn, the number of cases being brought against businesses and the

people who run them has surged. Business Liability Insurance Answer Book provides a concise roadmap to the kinds of issues being litigated, and the types of liability insurance available to protect against suit and cover losses in the event of a successful recovery. Written in a clear and direct QA format, Business Liability Insurance Answer Book is a handy softcover volume that will be of interest to lawyers and other legal professionals, as well as the corporate managers, officers, directors and other employees whose liability this type of insurance protects against.
