Jeffrey M. Risius : Business Valuation: A Primer for the Legal Professional before purchasing it in order to gage whether or not it would be worth my time, and all praised Business Valuation: A Primer for the Legal Professional:

0 of 0 people found the following review helpful. Law SchoolBy Charlie FHad to buy this book for my Family Law Litigation class, somewhat helpful, a good perspective on how to value family assets.

Written by valuation experts, this guidebook will provide the fundamentals of business valuation. It will serve as a reference for lawyers who deal with business valuation and appraisal issues in their practices but with a less technical

approach, which is especially helpful for professionals who do not have an in-depth financial background.
