Ronald S. Longhofer : Business Valuation (Corporate Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Business Valuation (Corporate Series):

Determining the value of a private company is not just a matter of accounting. It is also a legal decision, requiring examination of the relevant statutes, regulations, and case law to determine the type of appraisal required. Business Valuation is a complete, in-depth guide for the practitioner. It explains both the standards of value prescribed by law and the complex methods employed to meet those standards in virtually every context corporate and tax law, litigation, trusts and estates law, ESOP transactions, and more. It also discusses the reporting requirements of major accounting associations. Topics covered include: choosing the appropriate appraisal method; ratios and cash flow measures; discounts and premiums; corporate, tax, ERISA, bankruptcy, and trusts and estates law issues; expert valuation opinions in litigation; and business valuation report requirements. Whether you are advising a client on a fairness opinion or calculating the weighted average cost of capital, you will find both legal insight and nuts-and-bolts advice. Novices and experts alike will profit from this detailed look at valuation standards and techniques.

About the Author Ronald S. Longhofer, CFA, CPA/ABV, CFE, is principal of RSL Financial Consulting, LLC, Plymouth, Michigan. He holds JD and MBA degrees from the University of Michigan. His 28-year career at the Detroit-based law firm of Honigman Miller Schwartz and Cohn LLP included terms as Chair of the Litigation Department and Head of the Corporate and Securities Litigation Practice Group. He is an Adjunct Professor at the Wayne State University Law School, where he teaches business valuation. Following his tenure at the Honigman firm, he was a Director in the Valuation and Litigation Advisory Services Group at Stout Risius Ross, Inc. at its Detroit area office. His current firm provides business valuation, litigation support and alternative dispute resolution services. Mr. Longhofer is a member of the Michigan State Bar, the American Institute of Certified Public Accountants, the Michigan Association of Certified Public Accountants, the CFA Institute, and the Association of Certified Fraud Examiners.
