A little intimidating to read, however, it is very informative and the summaries of the cases cited are easy to read and follow. I bough this text brand new. It was not that much more than a used or rented fee, and I do not care for the e-book. I like good old fashioned books.0 of 0 people found the following review helpful. UsefulBy DidiIt's really basic but it's perfect for someone starting out. Rented this for a Family Law Paralegal Course but ended up purchasing it for reference.0 of 0 people found the

following review helpful. Wonderfully informative! By R. JOSIE PEREZ Delivered on time, great condition! Great read! Put it to use right away!

Focused squarely on the California Family Code, California Family Law for Paralegals integrates statutory law and judicial interpretation into a cohesive general discussion of all aspects of the state's family law. Its practical, straightforward approach is designed to teach the basics to paralegal students, and powerful pedagogy makes it stand apart from most books on California Law. Chapter Overviews and Summaries, exercises, Key Terms, and a glossary combine with examples of all the key Judicial Council forms used in the practice of family law in California. Comprehensive coverage explores all the key topics and developments in this constantly evolving area of the law. Thoroughly updated, the revised Sixth Edition reflects important changes in the law, with new cases and statutes, including status of California State Supreme Court ruling on same-sex marriage. As a result, all forms have been completely updated. A new discussion advises how technology can make family law practice more effective.
