Jim Bainbridge J.D. : California Real Estate Salesperson Practice Exams for 2016 before purchasing it in order to gauge whether or not it would be worth my time, and all praised California Real Estate Salesperson Practice Exams for 2016:

2 of 2 people found the following review helpful. I mean for the price it's a good tool but this book was not done with care. By danny a. It's just a book of definitions, very upsetting because I figured there might have been some application. Having failed the test already I bought this book to help and the questions so far do not seem to be equivalent to the style the state uses. There are 3 practice exams and answers. I mean for the price it's a good tool but this book was not done with care, in the beginning there were plenty of mistakes and double prints. *****update***** Questions to answers do not match. The errors in this book are very high!!! And the math is not correct. Save your money don't buy. 0 of 0 people found the following review helpful. I'm glad I didn't since the state exam is a thousand ... By Suzanne Irrelevant tests, so difficult and formulated in a very discouraging way. A lot of questions were about stuff I saw for the first time (and I had excelled in my pre-licencing training courses). After going through the tests in the

book I was serious about postponing my state exam - I was so discouraged. I'm glad I didn't since the state exam is a thousand times easier and can easily be done with in under 2 hours. If you are getting ready for you CalBRE exam - piece of advice - don't bother buying all these preparatory test books. Just study your course materials. If you are serious about it - you'll pass. I with electronic orders were returnable. 7 of 8 people found the following review helpful. Very Helpful Book--Highly Recommended By Customer This book had terrific practice exams that helped me pass the test with flying colors. I read California Real Estate Principles License Preparation by the same author before I took the practice exams in this book. I found the definitions in this book to be extremely helpful to me not only when I took the practice exams, but also when I sat for the real thing. It was a lot of studying, however I found this book to be invaluable in helping me pass the test the first time I took it. This saved me aggravation and allowed me to start my career sooner rather than later. If you're going for your license, this is a great way to study in a truly effective way.

This book is designed to help you prepare for and pass the California Real Estate Salesperson license exam. Three complete 150-multiple-choice-question practice salesperson exams, with detailed answers given for all of the questions, will allow you to assess your strengths and weaknesses and to hone your test-taking skills before exam day. This book also contains: a comprehensive review of the real estate math that you are expected to know for the license exam; tips on preparing for and taking the license exam; and a useful glossary of more than 600 key real estate terms for test preparation and reference.

About the Author Jim Bainbridge is a graduate of Harvard Law School and has been an active member of the California Bar for more than 30 years.
