Samy Appadurai : Canada: A Nation in Motion before purchasing it in order to gage whether or not it would be worth my time, and all praised Canada: A Nation in Motion:

Canada a Nation in Motion is a bold look at issues facing Canada today from the perspective of a Canadian who truly understands the issues. In his special blend of analysis, humor and wit, Samy Appadurai offers up an intelligent discussion of issues ranging from the history of immigration in Canada, the G20 Summit and the Vancouver Olympics

to the position of Canada on the world stage. Along with masterful storytelling, Samy provides a detailed analysis and commentary on each subject he covers in a way that anyone can easily understand. The perspective that Samy Appadurai takes is one of a well respected community leader who has dedicated his life to not only serving his community, but also his country. His belief in the importance of learning about the issues that face Canada as a nation is clear. However, he is not afraid to take a stand and provide an alternative point of view in order to spark conversation and debate. Canada is a country that is constantly changing from within and without but Samy Appadurai tells us exactly what it is that keeps Canada moving.
