Tariq Nadeem : Canadian Immigration Made Easy - 2nd Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Canadian Immigration Made Easy - 2nd Edition:

1 of 2 people found the following review helpful. Useful Tool By Chrystal Mahan I purchased this book along with Americans Moving to Canada to use as a reference tool for my tax clients who are thinking about moving to Canada. Many want to move to Canada because it is cleaner, less crime and they offer a public health care system to almost everyone. This book gave me all the information I needed to tell my clients in regards to the forms they would need to

file prior to their move. The book references information from government sources as well as pertinent tips scattered throughout. I think this book would make a great reference to those outside of the US who might be thinking of traveling from their homeland for a move to Canada. I feel this book is a great start for anyone thinking of moving to Canada and are unsure of where to begin their search for information, besides the internet. 5 of 8 people found the following review helpful. Bad editing By L. Bernier This book is mainly for people coming from foreign countries that do not have similar amenities as Canada or US. If you are from the US trying to get into Canada, do not waste your time on this book. All of the info provided is easily accessed on the Canadian immigration website. The rest is all basically economical info (also accessed easily on the internet) and basic info like how to use a telephone and phone book. Also the editing was horrible. There were grammatical errors everywhere and often whole sections were repeated in several areas of the book. Almost like someone just copied and pasted information into different areas. I do not recommend this book 8 of 12 people found the following review helpful. Little dissatisfied By gabriel ii I bought this book thinking in that it can be useful about how to fill out all the forms, I was seeking for more information about the immigration process (time, details of the interview, advices, etc), but, most part of this book is the printed material that you can find on the immigration site of Canada

This is a 4-in-1 guide. First part of this guide provides vital statistics, comparisons and information about Canada that will enable you to decide why choose Canada to emigrate. The 2nd part of this guide provides information about the new Immigration and Refugee Protection Act effective from June 28, 2002. It covers all immigration categories like skilled worker class, business class, family class (sponsorship) and provincial Nomination. It describes the eligibility criteria for Canadian immigration in every class and how to apply in every category. The 3rd part of this guide will provide you comprehensive step-by-step settlement information that you must know before arriving in Canada. This information will help you to successfully settle in Canada within shorter period of time by knowing Canadian laws, education, taxation and healthcare systems. You will learn about Canadian culture, labour market and addresses for newcomers to find help within their communities throughout Canada. The 4th part of this guide is the most important one, which provides employment search guide for skilled workers who are seeking employment in Canadian workplace. This guide also contains an article on job search strategies in Canadian workplace approved by Human Resource Development Canada (HRDC) with a comprehensive list of job search websites for all professions from hi-tech to traditional, where you will be able to register online with thousands of Canadian and American recruiting agencies and employers for free. There is also a list of necessary websites for people who wants to start a small business in Canada and for people with disabilities. This publication has been produced with the approval of Citizenship and Immigration Canada (CIC) and with the authorization of Public Works and Government Services Canada 350 Albert Street, 4th Floor Ottawa ON K1A 0S5.
