Jon W. Bruce, James W. Ely : Cases and Materials on Modern Property Law (American Casebook Series)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cases and Materials on Modern Property Law (American Casebook Series):

0 of 0 people found the following review helpful. Perfect sale By Roger Notario Book was completely unmarked, just as Mr. Bruce said it would be. Arrived quickly. Great price for an essentially new book. I rated 5-stars, but add one more! Thanks, Mr. Bruce!
0 of 0 people found the following review helpful. Most concise 1L property book. By P.H. Great book! Would've been nice to include a QA section to help students review.

review helpful. Exactly What I neededBy preferred customerIt is exactly what I needed for class. Came quickly and in the advertised condition. Great, since it's not a new, expensive edition.

Substantially revised and expanded, this resource highlights developing areas of property law through detailed case study and informative notes. Presents an innovative, logical examination of such concerns as regulatory takings, rent, environmental issues, and disclosure. Section titles discuss property law, landlordtenant, leases, tenant's rights, leased premises, personal injury liability, property damage, agreements, government involvement in the rental housing market, personal property, bailments, future interests, modern real estate transactions, contracts, real estate brokers, financing, title insurance, deed, lateral and subjacent support, utilities, zoning, subdivision control and transactions, and growth management. Also includes detailed tables of cases and authorities.
