Julie A. Nice, Louise G. Trubek : Cases and Materials on Poverty Law: Theory and Practice (American Casebook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cases and Materials on Poverty Law: Theory and Practice (American Casebook Series):

0 of 0 people found the following review helpful. HonestBy WilliamThe book was in exactly the same condition it purported to be in. There is nothing more that I can ask for when buying books online.

This law school casebook examines how society uses law to impact the realities of existence for poor people. It

explores an emerging orthodoxy ; that government welfare programs harm more than they help. The first section focuses on conceptualizing poverty law theory through exploring current poverty, the historical legacies influencing welfare policy, and competing public policy perspectives on welfare. The second section examines poverty law practice, including challenges for poverty lawyers and the constitutional issues related to due process, equal protection, and the unconstitutional conditions dilemma. The third section discusses welfare reform and its focus on family and work.
