Routledge-Cavendish : Cavendish: European Union Lawcards 4/e before purchasing it in order to gage whether or not it would be worth my time, and all praised Cavendish: European Union Lawcards 4/e:

Cavendish LawCards are complete, pocket-sized guides to key examinable areas of the law for both undergraduate and

PGDL courses. Their concise text, user-friendly layout and compact format make Cavendish LawCards the ideal revision aid for identifying, understanding, and committing to memory the salient points of each area of law.
