Mexico is reinventing itself. It is moving toward a more tolerant, global, market oriented, and democratic society. This new edition of "Changing Structure of Mexico" is a comprehensive and up-to-date presentation of Mexico's political, social, and economic issues. All chapters have been rewritten by noted Mexican scholars and practitioners to provide a lucid and informative introductory reader on Mexico. The book covers such topics as Mexico's foreign economic policy and NAFTA; maquiladoras; technology policy; and Asian competition; as well as domestic economics such as banking, tax reform, and oil/energy policy; the environment; population and migration policy; the changing structure of political parties; and values and changes affecting women.
