From Brand: Springer : Children in Tort Law, Part II: Children as Victims (Tort and Insurance Law) before purchasing it in order to gage whether or not it would be worth my time, and all praised Children in Tort Law, Part II: Children as Victims (Tort and Insurance Law):

This book details the problems related to the position of children as victims. It analyses both the traditional solutions found in some legal systems and the newer solutions offered by others. Coverage devotes specific attention to damage issues, apportionment of damage, and insurance problems when the victim is a child.

About the Author Miquel Martin-Casals is Full Professor of Civil Law and Director of the Institute of European and Comparative Private Law at the University of Girona.
