Zhang Xiaoyang : Chinese Civil Law for Business before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Civil Law for Business:

0 of 0 people found the following review helpful. very interestingBy ciciThis book dealing with Chinese civil law is very interesting.

This book offers clear and comprehensive coverage of civil law in China as it pertains to business. It takes a practical approach and is heavy on examples that are based on actual legal cases that have occurred in China. Using these examples, the author illustrates how civil law plays out in real-life situations. Business people, students and scholars

will all benefit greatly from this book. Readers will be repaid with an understanding of civil law that will make them more adept in any consideration of business in China and in any business dealing there. They will also gain a fuller picture of China's economic systems (particularly its property system), the rationale behind these systems, and the policy orientations that will steer their future development.

Unlike the heavily theoretical approach adopted in many other textbooks on this subject, Dr Zhang's insightful business-oriented treatment of the Chinese civil law will be a source of delight for business people, students and teachers alike. Well structured, accessible and informative, this is a much needed text for a large and wide audience. -- Walter Lee, Gallant Y T Ho Co, solicitors
This lucid, systematic and comprehensive guide is an excellent primer for those who wish to acquire an understanding of Chinese civil law for business purposes. The many examples throughout its chapters serve as concrete case studies of the application of business law in contemporary China. -- Lusina Ho, The University of Hong Kong
About the Author
Zhang Xiaoyang is an associate professor in the Lee Shau Kee School of Business and Administration at the Open University of Hong Kong (OUHK). He holds a PhD from the Law School of Strathclyde University in the United Kingdom. His current research interests focus on Chinese business law, international economic law and regulatory regimes. He was responsible for architecting the key frameworks and principal themes of the OUHK's innovative, business-oriented e-learning programme Master of Laws in Chinese Business Law. Dr Zhang previously held a number of positions with multinational and Chinese conglomerates, and has both international and China business experience.
