Nicholas Von Hoffman : Citizen Cohn: The Life and Times of Roy Cohn before purchasing it in order to gage whether or not it would be worth my time, and all praised Citizen Cohn: The Life and Times of Roy Cohn:

6 of 6 people found the following review helpful. Wonderful Detail About The Effect of One Man's EvilBy HallauthorThis amazing biography has been reviewed inside and out as well as brought to the screen. The detail and observations by the author about this remarkable and wholly dislikeable and disturbing man are beyond well-crafted. Few authors are able to hold the reader through the minutae of an entire lifetime, but Hoffman does exactly that. Roy Cohn's influence and power mark a dark period of American history, a period that is all too cavalierly thought of as an easier and simpler time. Cohn's trail of savage selfishness left many literal and figurative bodies in its wake, and the author has exposed his subject as the perpetrator of pure evil that he was. One of my favorite books of all time.
