**N.Y.S. Statute : Civil Practice Law Rules Plus Appendix: NYS Certified** before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil Practice Law Rules Plus Appendix: NYS Certified:

0 of 0 people found the following review helpful. Perfect for maintaining an updated hard copyBy Robert RecckiaWhile the content itself is exactly what you would expect, the loose-leaf format of the book makes it particularly easy to insert each year's updates, ensuring that your copy is current. The updates are reasonably priced, and the binder itself is a solid plastic that appears to wear well over the past few years.0 of 0 people found the following review helpful. FineBy A. CapelloBook is fine. Paid less than the school was selling it for. I wish I had saved my money though since Im only using it for class and you can look up the statutes online anyway.5 of 6 people found the following review helpful. Be careful about buying CPLR online!!!By Kiki CCivil Practice Law and Rules (CPLR) looseleaf has to be updated every year (new or old). The brand new copy that I purchased was not fully updated (for year 2009) and the seller failed to mention it in its online description. I will ended up paying much more for the book after I purchase the updated-annotated section. Would have cost much cheaper had I purchased it in my school bookstore.

The CPLR governs civil judicial proceedings in all courts of the state and before all judges. The appendix contains extracts of the N.Y.S. Constitution, Judiciary Law and the entire N.Y.C. Civil Court Act. Includes examples of related official forms. Revised - now includes NYCRR-PARTS 130 and 202. Looseleaf pages in black three-ring mini-binder.
