Larry L. Teply, Ralph U. Whitten, Denis F. Mclaughlin : Civil Procedure: Cases, Text, Notes, And Problems
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Civil Procedure: Cases, Text, Notes, And Problems:

0 of 0 people found the following review helpful. Not badBy danIt's a pretty good book. The cases are obscure but they lay out the information well and yes there are a few typos.The book makes the material pretty easy to understand. I found Glannon's E+E to be a great supplement.2 of 3 people found the following review helpful. DisappointingBy P GregsGood luck if you're assigned this book. It's filled with typing errors and obscure cases. There are also few supplements to accompany it. Enjoy...

Civil Procedure: Cases, Text, Notes, and Problems is designed for use in law school courses on Civil Procedure. This casebook begins with a comprehensive overview, followed by in-depth topical coverage. Its extensive textual discussion along with the cases, notes, questions, and problems helps students develop rapid comprehension of the subject. The problems throughout the casebook present students with the opportunity to apply the legal rules and policies studied in the previous materials in both familiar and unfamiliar contexts. This innovative approach provides both efficient and effective coverage of all the major areas of civil procedure, even in courses with reduced hours of credit.

About the Author Larry L. Teply is a professor of law at Creighton University School of Law. Ralph U. Whitten is a professor of law at Creighton University School of Law. Denis F. McLaughlin is a professor of law at Seton Hall University Law School.
