**John Anderson : Civil Procedure (Spark Law Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil Procedure (Spark Law Series):

0 of 0 people found the following review helpful. The graphs and study aids are good, but they're only in the first third of ...By CustomerThe graphs and study aids are good, but they're only in the first third of the book. The rest of the book is pages for notes. Why not just make a smaller book?

From the Spark Law Series. These books give you exactly what you need to understand the key principles of the subject, including the sometimes elusive Black Letter law. Not a replacement for in-depth analysis, but a presentation of the absolutely critical information in a concise format.
