Paula Loughlin, Stephen Gerlis : Civil Procedure before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil Procedure:

Civil Procedure provides an indispensable guide both to students of civil procedure at all levels as well as practitioners who regularly have to grapple with the CPR.

From the Publisher This is one of our most popular books regarding Civil Procedure. Written with amazing care and precision, this work reflects the marvellous knowledge of both authors on this complex yet compelling subject. Full of superb legal commentary and fantastic criticisms of the aims and objectives of the new reforms in this area, we strongly urge all of those interested or involved in this area of the law to buy a copy.
