**From Office of the Federal Register : Code of Federal Regulations, Title 14, Aeronautics and Space, Pt. 200-1199, Revised as of January 1, 2016** before purchasing it in order to gage whether or not it would be worth my time, and all praised Code of Federal Regulations, Title 14, Aeronautics and Space, Pt. 200-1199, Revised as of January 1,

2016:

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the United States Federal Government. This print ISBN is the official U.S. Federal Government edition of this product. 14 CFR Parts 200-1199 covers the United States Department of Transportation Office of the Secretary and Federal Aviation Administration. In this volume, you will find rules, processes, procedures, and regulations pertaining primarily to aviation proceedings, such as Air carrier authority under Subtitle VII of Title 49 of the United States Code[Amended], aircraft accident liability insurance, charter trips by U.S. scheduled air charters, charter rules for U.S. and foreign direct air carriers, applications for permits to foreign air carriers, transportation of mail, review of orders of Post-master General, intermodal cargo services by foreign carriers, airline service quality performance reports, domestic baggage liability, enhanced protections of airline passengers, licensing procedures, civil penalties, and more. Consumers, lawmakers, domestic and foreign airline personnel, aircraft manufacturer personnel, shipping freight forwarders, and others with interest in air transportation regulations and procedures may be interested in this volume. Additionally, airline personnel, including baggage, and cargo transporters, U.S. and foreign airline and aircraft carriers approved for charter flights, human space flight launches, and air licensing compliance provision personnel may be interested in this volume.
