**Inc. The staff at American Immigration Network : How to apply for and obtain a Green card by Marriage to a U.S. Citizen - The Complete Do it Yourself Kit** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to apply for and obtain a Green card by Marriage to a U.S. Citizen - The Complete Do it Yourself Kit:

28 of 28 people found the following review helpful. Do not waste your money on this bookBy A CustomerI bought this book, completed my INS file, and here is my conclusion: this is a shameless attempt at exploiting the fear that people have of the INS. The process is fairly complex, and this book is supposed to help you; I found it completely useless.The forms included (and some are missing) can be obtained free of charge from the INS.The so-called "instructions" are nothing more than a word for word copy of the official INS instructions printed on the back of the

forms! No attempt was made to make your job easier by deciphering the official INS jargon. The rest of the information included can be figured out fairly quickly using the internet or the yellow pages. 3 of 3 people found the following review helpful. Out of date immigration forms By Christopher Pease An opportunity lost. The kits sold by American Immigration Network include many out of date forms that can ruin one's visa application at step one. I would not recommend this book to anyone, and given the incompetence found that affects something so potentially life-changing, I would advise readers to search for alternatives rather than purchasing this time.

This complete U.S. immigration kit enables U.S. Citizens to apply for and obtain a Green Card (Permanent Residence) for their spouse. The kit comes complete with simple instructions on how to apply, official INS blank forms, sample forms completed by an immigration attorney to help guide you, a complete list of required documents, complete up to date contact information on INS offices, how to apply for work authorization, sample interview questions, an explanation of how the INS determines which applications they approve, and much more.

About the Author The immigration attorneys at American Immigration Network have a combined 35 years of experience in U.S. immigration law. Having successfully handled over 8,000 cases, they now share their experience in this line of popular Do it Yourself Immigration Kits.
