**Sheldon I. London : How To Comply With Federal Employee Laws** before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Comply With Federal Employee Laws:

0 of 0 people found the following review helpful. CD-ROM is also available.....!!!!By A Customer"Reference material is in plain English - I'm looking forward to getting the CD." Mr. Steven Peterson Director of Safety and People Development Savage Industries, Inc.0 of 0 people found the following review helpful. Federal Employment Laws explained in a plain English formatBy John D. Silvernail, MSAs an employer, manager, or HR professional are you continually grappling with employee compliance concerns? Vizia Enterprises has produced just the right publication that will provide answers to all your employment law questions. The business guide is entitled How To Comply With Federal Employee Laws, written by Sheldon I London, Esq.. Mr. London has done an excellent job of explaining all the significant federal employment laws in a plain, understandable English format. Topics covered in How To Comply With Federal Employee Laws include: employee health insurance laws, polygraph usage in the workplace,

employee/contractor relationships, hiring procedures and checklists, job descriptions and analysis, age discrimination, Family Medical Leave Act, American's with Disabilities Act, discipline and termination procedures, drugs and alcohol in the workplace, sexual harassment, equal pay, race, sex and religious discrimination and numerous others. I use this business guide daily. In addition to explaining all the significant federal employment laws, this reference guide expands the laws by offering question and answer sections as well as checklists for complying with the laws and sample forms for OSHA, FMLA, COBRA and Immigration. The 240-page guide is updated annually and each copy of How to Comply With Federal Employee Laws includes a free 5 in 1 federal compliant poster.....what a bonus. Finally, if you need a guide to ensure your compliance with employment laws, this is the book for your library shelf. I strongly recommend this guide for its easy-to-understand format and comprehensive nature of an ever-changing topic.0 of 0 people found the following review helpful.
