Rene-Philippe R Dubout : How To Safely Buy Real Estate In Thailand before purchasing it in order to gauge whether or not it would be worth my time, and all praised How To Safely Buy Real Estate In Thailand:

Buyers of offshore real estate property can be divided into two categories: The fortunate buyers who actually receive the property they paid for and the unfortunate ones who end up losing their money in offshore real estate fiascos or

Did you know that the difference between fortunate and unfortunate buyers is sheer luck, not more business savvy on one side than the other? Fortunate buyers are lucky enough to buy from one of the reliable developers doing business overseas. Do not let luck dictate offshore real estate purchases. Learn how to buy offshore real estate safely from the author of the Rene Philippe Developer Test, an easy do-it-yourself test designed to help buyers to check the reliability of real estate developers.
