my time, and all praised ICSID Reports: Volume 7 (International Convention on the Settlement of Investment Disputes Reports):

The ICSID Reports provide the only comprehensive collection of the arbitral awards and decisions given under the auspices of the World Bank's International Centre for the Settlement of Investment Disputes or pursuant to other multilateral or bilateral investment treaties. These decisions make an important contribution to the growing body of jurisprudence on international investment. The series also includes arbitration under the Additional Facility to the ICSID Convention which has increased in recent years, most notably in relation to the North American Free Trade Agreement (NAFTA). Volume 7 of the ICSID Reports brings the series substantially up to date and includes the decision of 28 May 2003 on the supplementation and rectification of the annulment decision in *CAA and Vivendi Universal v. Argentina*, the award of 26 June 2003 in *Loewen v. USA* and the rulings and awards in *Pope and Talbot, Inc. v. Canada*.
