IDENTITY Fraud

Committed by the Government Against the People

by Thomas Marvin; Maxwell
and Ken Gullekson

We the People of the united states of America are being deprived of
the vision that began with the Declaration of Independence.

Thomas Marvin Maxwell, Ken Gullekson : Identity Fraud before purchasing it in order to gage whether or not it would be worth my time, and all praised Identity Fraud:

This book discloses, and explains in layman's terms, the workings of the government which have tricked virtually everyone in America into unknowingly giving up all their rights which are theirs as a birthright, in order for the

government to be able to easily control almost every aspect of their lives.
