CanadaBy raguidoThis book focuses more on people working in Canada vs. retiring there. It is not very comprehensive. If retirement is your goal, I would highly recommend "The American In Canada", by Brian D. Wruk.

Learn how to successfully immigrate to Canada! Canada is one of the world's most sought-after destinations for immigrants, a welcoming and inclusive country respectful of cultures that comprise its identity. Canada was built by immigration and its future is tied to immigration. Millions of Canadian families want their friends and relatives to live in Canada, and some 250,000 immigrants arrive each year. This book is the definitive guide for those preparing to come to Canada. It provides a step-by-step guide on how to navigate the application system to ensure you will have the best chance for swift arrival. It is a valuable resource for professionals, students, tradespersons, entrepreneurs, investors and families.
