**Jeremy G Stobie, Michael B Dye : Immigrating and Moving to the USA: A Practical Guide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Immigrating and Moving to the USA: A Practical Guide:

Moving to the United States can be an exciting prospect filled with possibilities, but it can also be an overwhelming task weighed down with confusing red tape, logistics, and paperwork. Not to mention the challenges of navigating a

different culture and social system once you arrive. Its hard to know where to begin. The good news is, whether youre still in the preparation phase, or youve already relocated, this guide is your new best friend! An immigration attorney and a certified public accountant have teamed up to provide the most commonly needed information based on their extensive work with families and businesses relocating to the United States. Having answered thousands of questions about immigration law, taxation, and general life, their guide serves the actual needs of real people. And you dont have to start on page one. Simply scan the table of contents or index to find the relevant keyword or topic, and flip to the corresponding page to get your answers right away. Their straightforward, easy-to-understand explanations are designed to help you navigate US systems and culture, so you can make the best decisions possible for you and your loved ones. Get started on your new American life today!

From the Back Cover Are you planning to move to the United States? Have you recently moved and want to make sure everything is in good standing? Then you've picked up the right book! Written and compiled by an immigration attorney and a certified public accountant, who are both recognized experts and worldwide lecturers in their fields, this guide will provide the answers you need to immigrate and start a new life in the United States. It explains American life, conducting business, immigration laws, making the big move, taxes, health care, and everything else you'll need to know about this transition. Simply find your desired topic in the table of contents or index and jump to that section of the book for the most straightforward and up-to-date information. What once seemed like a complicated move is now an effortless transition right at your fingertips. Welcome to the United States and your new adventure!

About the Author Michael B. Dye, Esq, has worked in various capacities with the US government for more than fifteen years. He's a former diplomat with extensive experience in Asia, the Middle East, Europe, and Latin America--the US embassy in Mexico City being one of his posts among numerous US embassies and consulates worldwide. Dye is a member of the American Immigration Lawyers Association and is admitted to practice law in California and the District of Columbia. He's an active member of the American Chamber of Commerce in both Japan and Singapore.

Jeremy Stobie has extensive experience in investment banking, private equity, due diligence, forensic accounting tax and finance in the international marketplace. He is a US certified public accountant, a certified fraud examiner, certified in financial forensics by the AICPA and is a chartered global management accountant. Mr. Stobie holds the position of founder and managing director of CPS Family Office, a multi-family office based in Singapore, which offers a broad range of services to family offices and international families, including due diligence, cross-border tax and structuring, citizenship and immigration by investment, family governance and US tax compliance and planning.
