Immigration and Naturalization Law of the United States serves as a one-stop source for the most important federal legislation affecting immigration and naturalization, supplementing any casebook on the subject. With its consistent timeliness and reasonable pricing, this publication is a staple in classrooms nationwide. The 2005 edition reflects important amendments to the Immigration and Nationality Act, including changes in the Legal Immigration Family Equity (LIFE) Act and LIFE Act Amendments, as well as the Child Citizenship Act of 2000, the disability oath waiver legislation, and the new H-1B and V and K visa provisions. Other forms include I-551, the Alien Registration Receipt Card; I-589, the Request for Asylum in the United States; I-9, the Employee Eligibility Verification; I-94, the Arrival-Departure Record; I-130, the Petition for Alien Relative; ETA-750, the Application for Alien Certification; I-140, the Petition for Prospective Immigration Employee; and I-485, the Application for Permanent Residence.
