Stephen H. Legomsky : Immigration and Refuge Law and Policy before purchasing it in order to gauge whether or not it would be worth my time, and all praised Immigration and Refuge Law and Policy:

0 of 0 people found the following review helpful. Five Stars By Stephen Augustin Highly informative 2 of 2 people found the following review helpful. Excellent resource for the law course or the attorney By Lee Hall This casebook is well-ordered, and an outstanding guide for the classroom or for the advocate. A comprehensive account of immigration law and policy since the 1800s, including very well-excerpted material from all major cases; and now a new detailed overview of the events and changes from 2001 through the present. A comprehensive section on citizenship is also included. Provides large portions of thought-provoking policy essays that aren't found in one place elsewhere. Students have overwhelmingly given this casebook top ratings in evaluations, and visiting attorneys try to walk out with it every time.

This is a casebook that covers all the major aspects of immigration and refugee law and policy.
