Law and Practice: Fourth Edition:

For convenience, the fourth edition of this clear and practical book has been reformatted as a hardback (from its present looseleaf format). Thoroughly revised, rewritten, and updated, *Immigration Law and Practice* takes into account recent UK legislation (including the Borders Act 2007), rules and policies, the introduction of the new points-based system, and relevant UK case law. The book will be complemented by a full table of cases, including those heard in the European Court of Human Rights, the European Court of Justice, and the Asylum and Immigration Tribunal.
