**Kimberley Schaefer : Immigration Mistakes You Can't Afford to Make** before purchasing it in order to gage whether or not it would be worth my time, and all praised Immigration Mistakes You Can't Afford to Make:

0 of 0 people found the following review helpful. Immigration Mistakes You Can't Afford to MakeBy irisThis is a great book to read before starting your application process. It is easy to read and understand with lots of useful information. It identifies some of the common mistakes people make when facing the immigration process. It is better to not make mistakes the first time around than to have to try and fix them later. This is a good resource if you plan on

doing things on your own. But, it also points out that seeking help from an immigration lawyer might be something you should consider to save yourself frustration. 1 of 1 people found the following review helpful. Immigration Mistakes You Can't Afford to Make By Reece Hasson When it comes to immigration issues finding out what you should not be or can not be doing can be far more important to you than doing anything else. 0 of 0 people found the following review helpful. Three Stars By Guillermo Juarezok

United States immigration law is complex. Trying to sort through all the rules and regulations can be a complicated and frustrating experience. Because of this, many people make mistakes when trying to navigate immigration issues on their own. This book discusses some of the more common mistakes that I see as an immigration lawyer. This book is not intended as, and does not provide, legal advice. It does aim, however, to provide helpful information that may assist people in understanding the immigration mistakes that could derail their immigration case. It also provides useful information on what an immigration lawyer can do to help solve immigration problems and what you should consider before hiring an immigration lawyer.
