From Aboriginal Studies Press : Indigenous People and Governance Structures: A Comparative Analysis of Land and Resource Management Rights before purchasing it in order to gauge whether or not it would be worth my time, and all praised Indigenous People and Governance Structures: A Comparative Analysis of Land and Resource Management Rights:

This book examines the policies and practices of various regimes of governance on Aboriginal land including emerging regimes for the management of native title areas, and the incorporation of Indigenous interests into land

administration.

About the Author Garth Nettheim is Australia's preeminent Indigenous legal rights academic.
