whether or not it would be worth my time, and all praised Indigenous Peoples and Ethnic Minorities of Pakistan: Constitutional and Legal Perspectives (Nordic Institute of Asian Studies Monograph):

Examines the issues facing indigenous peoples and ethnic minorities, including their role in the nation's constitutional and legal developments, and makes a number of recommendations which would satisfy their demands without compromising the sovereignty of the state.

'A clear and concise, but wide-ranging, introduction to the legal and constitutional aspects of the relationship between state and community in Pakistan, [it] has much to offer anyone interested in these topics.' - Asian Affairs
