**Ryan F. Lewis : Information Security Laws: An Introduction (Defense, Security and Strategies)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Information Security Laws: An Introduction (Defense, Security and Strategies):

This book describes information security and data breach notification requirements included in the Privacy Act, the Federal Information Security Management Act, Office of Management and Budget Guidance, the Veterans Affairs Information Security Act, the Health Insurance Portability and Accountability Act, the Health Information Technology for Economic and Clinical Health Act, the Gramm-Leach-Bliley Act, the Federal Trade Commission Act, and the Fair Credit Reporting Act. Also included in this book is a brief summary of the Payment Card Industry Data Security Standard (PCI DSS), an industry regulation developed by VISA, MasterCard, and other bank card distributors.
