Schulte Roth Zabel LLP : Insider Trading Law and Compliance Answer Book 2013 before purchasing it in order to gage whether or not it would be worth my time, and all praised Insider Trading Law and Compliance Answer Book 2013:

Because the insider trading laws apply to everyone -- not just corporate insiders -- a proper understanding of both the

basics of insider trading law as well as some of the complexities and nuances of this important area of the law is important to anyone who invests in the securities markets. Insider Trading Law and Compliance Answer Book 2013 provides you with a step-by-step understanding of the legal requirements imposed upon all investors. It walks you through: The elements of an insider trading claim. What is legitimate company research that can be freely acted upon and what is nonpublic information that may not. When acting on a tip can incur legal liability. The framework of penalties when insider trading has been successfully proved. Insider Trading Law and Compliance Answer Book 2013 provides both the lawyer and the lay investor with a complete understanding of the criminal and civil issues that can arise, the possible penalties that could be incurred and the defenses available. It reflects the in-depth knowledge of legal practitioners who provide ongoing counseling and litigation representation to a wide array of clients. In today's turbulent financial markets, a claim of insider trading often hits the newspapers. Insider Trading Law and Compliance Answer Book 2013, which fully integrates recent regulatory changes, provides a concise road map, helping the reader to navigate the legal requirements safely.
