**Alison Padfield : Insurance Claims: Third Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Insurance Claims: Third Edition:

This authoritative and highly specialized text contains detailed analysis and guidance on UK insurance claims for

practitioners. The book adopts a modern, accessible approach which makes retrieval of information fast and convenient. This third edition gives an accurate summary of the UK's law as it relates to insurance claims, including claims against insurers and insurance brokers. It includes the following developments in UK law since the previous edition: notification of claims and circumstances following *Kajima and Kidsons* \* developments in relation to damages for late payment by insurers \* establishing the basis of the insured's liability to a third party following *Omega Proteins v Aspen Insurance* \* the relevance of commercial purpose to the construction of policy wordings in the light of the *EL Trigger Litigation* \* waiver and estoppel in relation to procedural conditions following *Kosmar Villa Holidays v Syndicate 1243* \* the Third Parties (Rights Against Insurers) Act 2010 \* the Law Commission's review of consumer and business insurance.

About the Author Alison Padfield is a specialist in commercial law and is an elected member of the Executive Committee of the Commercial Bar Association (COMBAR) and is Vice Chairman of the Bar Conference 2011
