**Nicholas M. Pace, Stephen J. Carroll, Ingo Vogelsang, Laura Zakaras : Insurance Class Actions in the United States** before purchasing it in order to gage whether or not it would be worth my time, and all praised Insurance Class Actions in the United States:

Class actions, which are civil cases in which parties initiate a lawsuit on behalf of other plaintiffs not specifically

named in the complaint, often make headlines and arouse policy debates. However, policymakers and the public know little about most class actions. This book presents the results of surveys of insurers and of state departments of insurance to learn more about class litigation against insurance companies.

From the Inside FlapClass action lawsuits make headlines and arouse policy debates, but little is known about most of them. This book presents the results of surveys of insurers and state regulators to learn more about class litigation against insurance companies.About the AuthorNicholas M. Pace (J.D., School of Law, University of Oregon) is a resident consultant at RAND.
